会议背景/Background

近年来，民航业飞速发展，人们对飞机的需求开始不仅限于飞行上，在高空上网、看电视、聚餐、娱乐、休息的愿望逐渐成为现实。为了乘客更好的飞行体验，各大航空公司，飞机制造商不断在飞机内饰上创新，争取赢得更多的市场。

随着在中国经济的持续高速增长，作为全球最大的消费市场，中国将成为全球飞机需求量最大，增速最快的航空市场。“中国化”内饰设计已成为飞机内饰发展的新方向。未来全球飞机内饰行业的目光将聚集在中国。

针对以上现状，高登商业将于6月6-7日在上海举办“2014国际飞机内饰高峰论坛”，峰会将聚集航空公司，飞机制造商，飞机内饰提供商等业内高层，共同探讨机上内饰的现状与未来发展之路。

With the rapid development of Chinese civil aviation industry in recent years, people take planes not just limited to fly, while the desire of surfing the internet, watching TV, dining together, entertainment and relaxing on high altitude gradually becomes a real thing. Aiming to provide a better flight experience for passengers, each major airlines and airplane manufacturers are engaging in constant innovation on aircraft interiors in order to share a bigger piece of cake in the market.

Along with the sustained high growth of Chinese economy, China is working as the largest global consumption market and will also turn to be a greatest and fastest global aviation market in future. It becomes a different future direction to refit airplanes with Chinese-style interior design. China will attract all the attention from global aircraft interiors industry in the future.

Against the above situation, Golden Commercial will hold “International Aircraft Interiors Summit 2014” on June 06-07 in Shanghai. The conference will gather lots of top leaders from airlines, aircraft manufacturers and aircraft interiors suppliers, aiming to analyze the current situation and explore the future of aircraft interiors industry.
