General Sales Conditions and Regulations

General Conditions: The terms and conditions of trade fair organisation and in particular the trade fair's opening and closing dates, duration, location, and participation fees, are set by the Organizer and are subject to change at the Organizer's initiative without giving rise to any payment claims. The Exhibitor agrees to respect and enforce the instructions set out in the Exhibitor's Guide provided. The signatory (Exhibitor) of the exhibit space rental contract is liable to the Organizer for all consequences arising out of noncompliance with the specifications.

Admission: Applications must be addressed to the Organizer using the valid forms together with the down payment: 50% of the total amount. Upon receipt of the application by the Organizer, the company applying for exhibit space will be deemed to have examined the trade fair rules and regulations shown on the application form and to have accepted them without reserve. Any application from a candidate who has an outstanding debt or disputed claim with the Organizer will not be taken into account. The merchandise, products, or services presented by the Exhibitor must conform to the trade fair classification. Only applications that are duly signed by an individual deemed to have the proper authority to commit the exhibiting company and which are accompanied by the down payment as set by the Organizer will be taken into consideration. Notwithstanding payment of this first installment, the billing of it, and/or its receipt, acceptance of the applicant or his/her company is subject to appraisal. In case of refusal, the Organizer will notify the applicant or his/her company of the decision and reimburse any down payment made. Acceptance is made known by official notification from the Organizer or by the remittance of an invoice or a site map specifying the stand's location and surface area. Once acceptance has been confirmed, the Exhibitor shall comply with subsequent procedures until the trade fair opens.

Terms of Payment: Participation fees will be paid in two installments.

1) After registration, a down payment of 50% of the total amount, of which is specified in the schedule of fees, will be sent by the Exhibitor to the Organizer along with the application. If the down payment is not received in due time, the application will not be taken into consideration and no claims may be made regarding the absence of available space. An invoice in the amount of the down payment will be mailed to the Exhibitor.

2) The balance on the participation fee invoice that is sent to the Exhibitor before the Event is due no later than 10 weeks before the opening of the Event, without discount for prepayment or cash payment.

3) In the event that the Exhibitor registers less than 10 weeks before the Event – March 24th, 2015, the fees must be paid in full along with the application. All amounts must be paid when due

4) Failure to do so will be subject to late payment charges (penalty of € 40.00 and legal monthly rate of interest: 1.5%). These will begin to accrue as soon as the Exhibitor has been officially notified.

Withdrawal: Signing the application for participation constitutes a firm commitment. If the Exhibitor wishes to withdraw, he/she must notify the Organizer by registered letter with acknowledgement of receipt.

If the withdrawal occurs before December 31st, 2014, the compensation fee is at 30% of the total amount, 70% before February 28th, 2015 and 100% on and after February 28th, 2015, even if the Organizer is able to rent out the initially reserved space again. This is equally applicable if the Exhibitor has not taken possession of his/her space the evening before the opening of the trade fair. Any subsequent decrease in surface area will be considered as a cancellation for the subtracted surface area and subject to the penalties provided for thereof.

Allocation of Space: The Organizer is free to manage the allocation of stand space as and when admission is granted, taking Exhibitor requirements and the nature of the exhibited products into consideration to the extent that it is possible. The Organizer reserves the right to alter the size and layout of the space rented by the Exhibitor, as he sees fit. The fact that an exhibitor has participated in previous Shows in no way constitutes a right to a specific location for that exhibitor. The Exhibitor will be notified of stand space allocation within a reasonable time before the Exhibitor may not exercise a remedy on any account against the Organizer.

Sub-letting / Co-Exhibitor: Subject to prior and written authorisation from the Organizer, the Exhibitor may not assign or sub-let the space that is allocated to him/her, notably in return for payment. However, exhibitors may perform as a group, subject to Organizer approval. Acceptance of a co-exhibitor or indirect exhibitor requires additional registration. A co-exhibitor or indirect exhibitor is a company that manifests its presence at the stand of another company through a listing, an object, or literature. Any co-exhibitor, whether an indirect exhibitor or member of a pavilion, will be deemed to have examined and accepted the rules and regulations for the trade fair.

Insurance: Insurance is obligatory for all exhibitors.

Cancellation of the Event: Should it be impossible to make use of the necessary premises, or should fire, war, public disaster, or any other act of God make it impossible for the trade fair to be held, the Organizer reserves the right to cancel location requests at any time by sending written notification to exhibitors, who may claim no right to set-off whatever the reasons for such a determination. Any amounts available after payment of all expenses incurred are to be divided up among exhibitors as a pro rata of the amounts paid; however, it is expressly agreed that the Exhibitor may not exercise a remedy on any account against the Organizer.

Organizer Liability: It is expressed, understood and agreed by each and every contracting exhibitor, his agents, and guests that neither the Organizer nor its employees or contractors shall be liable for loss or damage to the goods or properties of exhibitors. At all times such goods and properties remain in the sole possession, custody and control of each exhibitor, while on property.

Exhibitor's Guide: All details on Exhibitor participation in the trade fair are provided in the Exhibitor's Guide, which can be downloaded online after stand location validation. The Guide includes the order slips for electricity, water, invitations, safety procedures,

and customs, among others; instructions for arranging the stands; and a number of useful addresses.

Catalogue: All associations, companies, brand names, and materials must be duly declared and entered into the catalogue in order to be exhibited and presented to the public. The Organizer reserves the right to refuse to allow any association, company, brand name, or material that has not been duly declared and entered in the catalogue to be exhibited. The Organizer has the right to publish the exhibition catalogue or to have it published and distributed. The Exhibitor will provide the necessary information to the catalogue's editorial staff at his/her own liability. The Organizer may on no account be held liable for omission, reproduction errors, misprints, or any other errors that may occur, and reserves the right to make changes or to group certain entries as it sees fit.

Shooting: The Exhibitor specifically authorises the Organizer, free of charge, to photograph and/or film the Exhibitor, the Exhibitor's team, and the products exhibited at the Exhibitor's stand, utilise these images in any medium, notably for advertising, in France and abroad for an unrestricted period of time.

Labor: Exhibitor hereby agrees to use qualified and approved labor at all times while in the facility, and to abide by all agreements made between the facility, the Unions (if applicable), and Management.

Taxes and Licenses: Exhibitor shall be responsible for obtaining any licenses, permits, or approvals required under local, state, or federal law applicable to its activity at the exhibition. Exhibitor shall be responsible for obtaining any tax identification numbers and paying all taxes, license fees, or other charges that shall become due to any governmental authority in connection with its activities at the exhibition.

Unfair Competition: Throughout the entire Event, the Exhibitor specifically shall refrain from engaging in unfair competition and/or any unsatisfactory conduct that might result in the enticement of the Show's visitors to the benefit of the Exhibitor and to the detriment of the Organizer.

Claims / Disputes: Any claim must be sent by registered letter with acknowledgement of receipt within ten days after the end of the Event. In case of dispute, only the French text shall have probative force and only the Paris Courts of Law shall have jurisdiction.

Attorney's fees: Should Show Management find it necessary to employ an attorney or attorneys to enforce any of the provisions of this agreement or to protect in any manner its interest or interests under this agreement, Show Management, if it is the prevailing party, shall be entitled to recover from the other party all reasonable costs, charges and expenses including attorney's fees.
