

Dear Chairman/CEO:

On 14 October 2021, the European Economic and Trade Office (EETO) will hold the second EU Investment Forum as an online event, together with the Ministry of Economic Affairs (MoEA) and the Ministry of Foreign Affairs (MoFA).

It is our great pleasure to invite you to attend this event and to explore the investment environment in Europe.

The EU Investment Forum is the largest event of the EU in Taiwan. We have invited 12 speakers from the EU and Taiwan to present the investment and business opportunities brought by the EU's Green Deal and Digital Europe. In the world that is constantly changing, business speakers from the EU and Taiwan will share their insights and experience of investing in the EU.

We encourage you to discover the benefits of the European Single Market with its excellent infrastructure, its highly educated workforce, 450 million consumers and first class technologies and innovations. Go Europe!
